

Doll Clothes of Yore

Original, Historical Designs for 18" Dolls

Victorian Era - Circa : 1870- 1890

'Christmas Dinner' Dress

History

Many of our modern holiday practices have their origin in the Victorian times. Many of the traditions began as far back as the Medieval times, but the Victorian Christmas is the most like the modern American Christmas.

Fashion

This dress is similar to what might have been worn during the holidays in Victorian American and England.

The Victorian period is named after Victoria, the Queen of England. It encompasses 1830 until 1900. Many fashions came from Victoria's clothing and that of her court.
