Original, Historical Designs for 18" Dolls

Edwardian Era - Circa : 1895-1910

'Beatrix Potter' Dress

History

Who is Beatrix Potter?

Beatrix Potter was an author and illustrator who lived and published her books at the turn of the century. Although she wrote many children's stories, she is most famous for 'The Tale of Peter Rabbit', which is a popular story among children of all ages. Beatrix ran a farm for many years, and at age 47, married her publisher, Norman Warne.

Fashion

This dress is based off of an original 1908 pattern published in an American fashion magazine. It is designed to be a summer dress, as it has a light and airy look and feel.

Feathers were a popular hat decoration for Edwardian women as well as flowers, lace, and ribbons.
